

Docket No. T2315-908010US02

**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE**

Applicant: Raymond J. Bergeron, Jr. :  
Serial No.: 10/673,227 : Art Unit:  
Filed: September 30, 2003 :  
For: Method and Composition for Treatment of : Examiner:  
Irritable Bowel Disease

**INFORMATION DISCLOSURE STATEMENT**

**Mail Stop DD**  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In accordance with Applicants duty of disclosure, the following information is submitted for consideration by the U.S. Patent and Trademark Office in connection with the above-identified application.

Since this statement is filed prior three (3) months of the filing date of this application, and prior to the mailing of the first office action, no fee is believed to be required.

The application relies, under 35 USC §120, on the earlier filing date of prior U.S. Application 10/209,638, which is a Divisional Application of Application Serial No. 09/987,694 filed November 15, 2001. The references identified on the attached Form PTO-1449 were submitted to and/or cited by the applicant or the Patent Office in the prior application and, therefore copies are not required to be provided. (see 37 CFR §1.98(d)).

It is respectfully requested that the Examiner fully consider each of the documents, initial the enclosed Form PTO-1449 in the appropriate place to indicate that the document has been considered, and return a copy of the initialed form to the undersigned in accordance with MPEP Section 609.

Respectfully submitted,

MILES & STOCKBRIDGE

A handwritten signature in black ink, appearing to read 'Dennis P. Clarke', with a stylized, flowing script.
